# ROLL TABLES

## Mental Conditions

| | |
|---|---|
| 1 -10 | Hyperempathy<br>Feels the pain and joy of others almost physically. Might avoid fights, or break down in combat. |
| 11-20 | Compulsive Ritualism<br>Must perform specific rituals to feel "safe" (e.g., tracing runes before casting spells, muttering names before sleeping). |
| 21-30 | Delusional Hero Complex<br>Believes they are destined to save the world. May take reckless risks or interpret every encounter as fate. |
| 31-40 | Dream Anchor<br>Confuses dreams and reality. May receive clues or omens in dreams that they take too seriously. |
| 41-50 | Mythomania<br>Lies compulsively, often creating dramatic or grandiose tales. May not know what's true anymore. |
| 51-60 | Dissociative Combat Mode<br>In combat, becomes distant and eerily calm, like someone else is fighting for them. Has no memory afterward. |
| 61-70 | Cryptomnesia<br>Believes they're having original ideas, but is unknowingly remembering things from past lives or books read. May mix fantasy with reality. |
| 71-80 | Moral Synesthesia<br>Experiences morality as sensory phenomena (e.g., lies taste bitter). Has strange reactions to evil or good acts. |
| 81-85 | Phantom Voices (Non-malevolent)<br>Hears a helpful but cryptic voice that gives guidance or riddles. It might even be right—or not. |
| 86-90 | Paranoia of the Mundane<br>Distrusts everyday objects (clocks, mirrors, cutlery), claiming they're tools of some hidden power. |
| 91-100 | Roll for a Sever Mental Condition |

## Severe Mental Conditions

| | |
|---|---|
| 1 -10 | Guilt-Induced Hallucinations<br>Haunted by the ghosts of those who you killed or wronged—even if they were justified. These "ghosts" speak. |
| 11-20 | Blackout Rage Syndrome<br>Occasionally loses all control in high-stress situations. Comes to with blood on hands. |
| 21-30 | Obsessional Loyalty<br>Becomes unhealthily devoted to the first person who shows them genuine kindness. |
| 31-40 | Selective Amnesia<br>Forgets certain memories after traumatic events. These memories resurface unpredictably, causing flashbacks. |
| 41-50 | Schizo-Affinity for Symbols<br>Believes certain shapes or numbers are speaking to them, guiding them toward some mysterious truth. |
| 51-60 | Cannibalistic Impulse Suppression<br>Suppresses disturbing hunger urges. May lose control under duress. Could be tied to a curse or pact. |
| 61-70 | Empathic Predator<br>Feels others' emotions not to understand—but to exploit. Derives pleasure from emotional manipulation. |
| 71-80 | Masochistic Invulnerability Delusion<br>Genuinely believes pain is holy or empowering. Walks into traps willingly. Might gain temporary boons through suffering. |
| 81-90 | Divine Host Syndrome<br>Believes they are the vessel of a god—or actually are. Will act with divine entitlement and may develop powers accordingly. |
| 91-100 | Split Alignment Manifestation<br>Has two conflicting souls inside—one good, one evil. They argue, shift dominance, and even wrest control of the body during stress. |

## Physical Conditions

| | |
|---|---|
| 1 -10 | Limp / Old Injury |
| 11-20 | Troubled Sight |
| 21-30 | Stutter or Speech Impediment |
| 31-40 | Missing Fingers or Eye |
| 41-50 | Chronic Cough or Breathing Issues |
| 51-60 | Frail Physique |
| 61-70 | Allergic Reactions |
| 71-75 | Heterochromia or Albino Traits |
| 76-80 | Migraines / Sensitivity to Light or Sound |
| 81-85 | Chronic Insomnia |
| 86-90 | Narcolepsy : Fall aslepp thrice a day. If you fail a health saving throw, sleep instead. |
| 91-100 | Roll for Severe Physical Conditions |

## Severe Physical Conditions

| | |
|---|---|
| 1 -10 | Mutated Skin<br>Part of their skin are of another kind, animalistic or material, adding conditions |
| 11-20 | Infected Symbiosis<br>A visible fungus, parasite, or magical creature lives inside or on them. |
| 21-30 | Unstable Graft<br>A limb (or organ) taken from another being—perhaps monstrous, undead, or magical. Might reject host periodically. |
| 31-40 | Constant Bleeding<br>Their blood never fully clots. Bleeds during stress or combat, leaving trails, attracting monsters. |
| 41-50 | Steaming Core<br>Their body runs hotter than normal. Glows slightly, burns touch, and needs to avoid overheating. |
| 51-60 | Bone Spikes or Protrusions<br>Body grows painful spikes. Can be used in combat, but makes armor difficult and hurts to grapple. |
| 61-70 | Twitching<br>Involuntary gestures or spasms disrupt stealth, casting, or diplomacy. |
| 71-80 | Hollowed Flesh<br>Body doesn't decay but also doesn't heal normally. Counts as undead tissue |
| 81-90 | Molting Skin<br>Regularly sheds outer layer in large flakes. Disgusting, painful, and potentially contagious. |
| 91-95 | Third Arm / Vestigial Limb<br>May be underdeveloped or semi-sentient. Could be useful or act against your will in strange moments. |
| 96-100 | Severe Deformation<br>Something was taken, and something was given. Give a random stat -20 and +20 to the another one. |

## Curses and Blessings

| | |
|---|---|
| 1 -10 | Keen Scent<br>Can smell danger, lies, or even moods. Helpful in tracking, reading people, or detecting poison. |
| 11-20 | Luck-Touched<br>Once per day, a random event just goes in your favor—a dice reroll, a key fits, a crowd parts. |
| 21-30 | Unaging<br>You don't age past a prime physical state. You still feel time passing, but it no longer marks you. +2 Essence |
| 31-40 | Shrouded Footsteps<br>You leave no tracks unless you wish to. Stealth checks are easier and true form shrouded for supernatural eyes. |
| 41-50 | The Sorrow Mark<br>Animals avoid you. Infants cry. Even the kind-hearted struggle to trust you on first impression. |
| 51-60 | Dream Rot<br>You sleep, but cannot rest. Long rests take twice as long, and you always dream of the same ruin. |
| 61-70 | Broken Reflection<br>Your image in mirrors or water moves slightly out of sync, and people remember you doing things that you havent. |
| 71-75 | Taste of Ash<br>All food and drink taste like dust or rot. You can survive, but never enjoy it. Potions are half as effective. |
| 76-80 | Echo of Song<br>Your voice resonates with magic; spoken spells or performances are more memorable, more persuasive. |
| 81-85 | Curse of the Witness<br>Spirits of the dead flock to you. They speak and scream and want you to deal with what they have left behind. |
| 86-90 | Fae Following<br>Your pessimism has caught the attention of a Mua and now it will be proving your negative expectation right. |
| 91-100 | Roll in Severe Curses and Blessings |

## Severe Curses and Blessings

| | |
|---|---|
| 1 -10 | Blood of the Phoenix<br>You return from death once, in flames. After revival, some fiery trait lingers forever. |
| 11-20 | Oath-Bound Tongue<br>If you swear to do something, fate bends slightly to help you do it. Breaking your word comes with supernatural backlash. |
| 21-30 | Eyes of the Divine Loom<br>Can see threads of fate for brief moments. Once per rest, predict one near-future event. |
| 31-40 | Living Sigil<br>A radiant symbol is etched into your flesh. It glows in the presence of lies, evil, or certain magics. |
| 41-50 | Flesh of Twilight<br>Your body passively resists mundane harm and magic in low light. You heal in moonlight or starlight. |
| 51-60 | The Crawling Skin<br>Your skin constantly shifts, itches, or writhes. Creatures sense unnaturalness in you. Close contact is horrifying to them. |
| 61-70 | Voice of Falsehood<br>Every word you speak is believed to be a lie—regardless of truth—unless magically proven otherwise. |
| 71-80 | Blood Price<br>Every spell, skill, or success you perform demands a toll—HP, a memory, or a moment of time lost forever. |
| 81-90 | Flesh Harvest<br>You regenerate—but only by absorbing the flesh of living things. You must harm to heal. |
| 91-100 | The Hollow Clock<br>A spectral clock follows you. It ticks louder as you near your death, which is predetermined and cannot be delayed—only altered. |
