The Jewel Masters

Size Class : Medium

HP :: S+2T
END :: HP
RES :: Natural 1
MOV :: AB
ESNC :: -
PACE :: 10

Jewel Master : Care only for youself and your species. Intense sense of tirbalism. Feel a constant and relentless urge to climb, to be crowned, and to rule over all.

Puppet Master : Control many bodies at the same time. Their Intelligence, Charisma and Will Power stats gets modifiers from yours. (channel your passive int, chr or wp through them, as much as you pass WP)

Deep Tunnel : Stream your conciousness through all your vessels. Use all your pace half your movement, but control them with max efficiency.

Inspiring : Insire youself and others effectively. Get +2SL on social checks and also while recovering END.

Crown Wings : Your crown voice commands the puppets to your will. It effects every being that has Crown Spikes within 500m. Every 100m's of distance from your puppet, their actions that come from you gets -1SL from.

Empty Shell : You have no soul. Can't interact with the secret world at all and death means death.

Attributes Evolved : Spend 8 Pace and then sacrifice 10 from one attribute to gain 10 on another.

Shape Alteration : Each alteration takes Pace. For one time use, all alterations have a specific cost. But by taking Trasnformation action, you can lower that cost for future uses.

Transformation : Change a part of your body, so you can use that alteration with -2 Pace Cost from now on. This chance costs Alteration Cost - 2 Pace. All transformations are permenant and will stay until you Transform out of them with the same cost again.

Essential Supplements : Use ESNC to reduce your Pace Cost's by 3 in a turn on alterations.

Four Armed : Can take the Ambidextrous keyword thrice.

Ambidextrous : Get +2 Pace while dual wielding with proficient weapons.

Blessed Mind : Have amplified cognitive capabilities. Logic and sciences feels natural to you.

Psychotic Overfixation: See patterns and explonations much more efficiently, sometimes even if they're not there. Combining with the Crown Jewel, you find everything to be about you.

Track & Depose : Can predict and track the actions or positions of others (INT to guess or aim ahead of time)

Eyeless Master : You see through your puppets. Other then that, your blind.

MOV :: AB
ESNC :: WP+Foc+3
PACE :: 10

Four Armed : Can get ambidextrous keyword thrice.

Asecend and Rebirth: You fulfill the experience of this mask. To a new dance with a new face, you let go of your older self, becoming someone anew with all the memories of before. Store your old self in a mask to use Kindled Faces.

Kindled Faces : Spend all essence to drop your current self. Be plain as the void. Then spend all essence to regain yourself as one of your masks. The mask gives you a new personality, skills and keywords.

Spirit Rebound : When you die, if your soul havent been killed yet, you take a premature ascension. Wiping the personality, skills and attributes of your character clean, and reforming your flesh body as if they're someone new, with some lingering memories of what happened before. You also start with 1 Essence and it recovers overtime with mental struggle on your newly found conciousness.

Mesmerizing Domain : Your very gestures can change how this world appears to others.

True Sight : See the secret world and its residents. See the flow of essence and the gestures of the world. (higher dimensions of sight need Scholar)

Consume Flesh : Keep a carnivorous diet for bodily healing.

Sustanance Meditation : Refill your END and ESNC through a couple hours of singing and dancing.

Sacret Geometry : Can see patterns and secret gestures of the world around you.

Self Absorbed : Extremely bad at learning from others. Develop your very own way of doing things suits you more.

Albino : Sun and some strong effects over your skin burns you.

Soft Tissue : Physical damage hurts your tender skin a lot more.

MOV :: AB+1
ESNC :: WP+Foc+2
PACE :: 10

Tireless : Have incredible stamina. Regen 3 END by every minute you're out of combat untill you heal half of your total END.

Sprinter : Get +1 Mov

Marrow Walker : If you get contact on the skin of another being, pierce it to posess its bone marrow. Spend you enemies Health Points amount of Pace to totally ifiltrate their body. The rate of transition is up to you, and you can continue after an interruption. Afterwards, the puppet immediately gains immunity to bleeding and heals THGB helath back. If you posses them unaware and keep them alive, you can simply finish them off at any moment.

Flesh Puppet : Control the body of another being. Replacing your Strength, Thoughness, Agility, Movement, Resistence and Pace with theirs. Their health becomes your health and endurance BUT your negative health remains yours. Until the puppet loses its bodily functions, you can feed and regenerate it fit for its digestive needs. At a certain point, the body dies and cant regenerate. You still can move the body for a while until it completely falls apart.

Skeletal Posession : If the being is unaware of your intrusion or simply opposing your control, compell it to act however you like by taking an extra half action to overwhelm their will. Roll STR/WP + Focus/Fortitude/Athletics to pass their Passive STR or WP. If you pass with 4+ SL, you can act freely for two extra turns.

Weak Body : Magnitude of your strength is not much. If you roll the same SL with a being that doesnt have this, it counts as if they won.

Claws : SB
P(3), Grapple (STRB), Bleed (2)

2x Falling Cat : Your damageless fall length is doubled.
